

Information for applicants for financial sponsorship by Calcutta Rescue Deutschland e.V.

1. First of all, the applicant contacts the committee of CR Germany in order to explain the project's main contents. This helps to clarify at an early stage whether the project basically has a chance to be sponsored by CR Germany.
2. Especially initial applicants are recommended to obtain the application forms from CR Germany's official address. These forms give them all important information about requirements in form and content.
3. The application can be submitted to CR Germany at any time. It will be examined first formally and then for its contents. The final decision about the sponsorship will then be made at the General Assembly of CR Germany.
4. A complete application comprises the following forms: "Project holder" and „Project“
5. CR Germany's statutes' aims have to be followed: § 2 aim:
 1. support of medical care and health education of the people in need in Kolkata and West Bengal as well as improvement of their living conditions.
 2. Support of education and vocational training of adults and children in Kolkata and West Bengal.
 3. support of projects with the principle "to help the people to help themselves" (self-sustainability) and to fight the migration into Kolkata.
 4. Support of displaced people living in Kolkata and West Bengal.
 5. Data analysis, awareness training and educational work about the situation of the so-called third world using the example of India – Kolkata.
 6. Support of the cooperation of different groups, organisations, initiatives and also single persons, which support the above mentioned aims all over the world.

Additional information:

1. Normally the sponsorship should last for 2 – 4 years (it is possible to apply for follow up support)
2. As a rule the annual sponsorship should not exceed 20,000.00 Euro. (the sponsorship sum can range between 0 and 100%)
3. A financing plan documenting the overall financing has to be submitted.
4. A written agreement between applicant and CR Germany is required.
5. It is mandatory that any projects that apply for the first time are visited by representatives of CR Germany and inspected before the General Assembly where sponsorship is decided takes place.
